CURRENT EMPLOYER
FLORIDA CANCER SPECIALISTS

Colleges Attended

Union College; Schenectady, New York:
September 1962 to June 1966 (BS)

Rensselaer Polytechnic Institute; Troy, New York:
July 1966 to August 1967 (MS)

Wayne State University Medical School; Detroit, Michigan:
September 1967 to June 1971 (MD)

Hospital and Academic Appointments

Medical Director, Stem Cell Program – Morton Plant Hospital, Clearwater, FL
1992 - 1997

Resident, Internal Medicine – University of Illinois Hospital; Chicago, Illinois
1971-1975

Chief Resident and Instructor Internal Medicine – University of Illinois; Chicago, Illinois
1974 – 1975

Medical Oncology/Hematology Fellowship, Memorial Sloan Kettering Cancer Center,
New York, New York, New York
July 1975 through July 1978

National Leukemia Association Fellow
Memorial Sloan-Kettering Cancer Center: New York, New York
July 1976 to June 1978

Attending Physician, Clinician I, Department of Medicine A
Roswell Park Memorial Institute; New York: June, 1978 to 1979

Research Assistant Professor, Department of Medicine
University of South Florida School of Medicine
September 1980 to 2000

Affiliate Physician
Moffitt Cancer Center, Tampa, FL.
2000-present

Certification and Licensure

Licensed to practice in Florida
Florida License #ME0034925
Diplomate of Internal Medicine – June, 1975
Diplomate of Medical Oncology - June, 1979
Fellow of the American College of Physicians – April, 1981
Full Member, American Society of Blood and Marrow Transplantation – 1995
Member, Solid Tumor Panel – 1997

Biographic Appointments

Who's Who in Frontier Science and Technology: 1984
Who's Who in the South and Southwest

Affiliations

American Society of Clinical Oncology
American Society of Internal Medicine
Robert L. Drapkin, M.D., FACP
Curriculum vitae

National committees

Clinical Practice Committee
American Society of Clinical Oncology: 1985 –1987

Hospital Appointments

Chief of Department of Internal Medicine – Mease Dunedin Hospital and
Mease Countryside Hospital, Dunedin, Florida – 1988
Chairman of Investigation and New Drugs and Devices Committee
Morton Plant Hospital, Florida 1987 – 1992

Current Hospital Affiliations

Morton Plant Mease – Dunedin Hospital, Dunedin, Florida
Morton Plant Mease – Countryside Hospital, Clearwater, Florida
Morton Plant Hospital – Clearwater, Florida

Research Grants

Mease Hospital Foundation for Cancer Research: 1987 - 1988 and 1988 – 1989

Special Interests

Trustee Museum of Fine Arts – St. Petersburg, Florida-Board of Directors 1994-2010
Board of Directors Florida Museum of Photographic Art, Tampa, Fl. 2010-present
Board of Directors Graphic Studio, USF, Tampa, Fl. 2010-present

Assesions Committee – Harvard Fogg Museum – 1996 – 1999

Bone Marrow Transplant and Human Peripheral Blood Stem Cell Work

Hospice Medical Director, Suncoast Hospice, Pinellas County, Fl., 2000-2014

Body Building Competitions-First Place Championships:

2014 Southeastern Competition Men over 70 years

2008 Tampa Classic Open Men Bantam Weight

2005 Southern States Competition Men over 60 years

2004 Tampa Classic Men over 50 years

presently training for National Masters in July 2015

- 1) 1975 – 1977 Clinical responsibility under the supervision of Bayard Clarkson, MD at Memorial Sloan-Kettering Cancer Center, New York City, New York
- 2) 1977 – 1978 Clinical Research on human peripheral blood stem cells with Bayard Clarkson, MD, sponsored by National Cancer Institute at Memorial Sloan- - Kettering Cancer Center, New York City, New York. See Publication #7.
- 3) 1978 – 1979 Attending physician with bone marrow transplant service responsibility – Dept. of Medicine “A”, Roswell Park Memorial Institute with Edward Henderson, MD.

Robert L. Drapkin, M.D., FACP
Curriculum vitae

- 4) 1992 – present Co-Founder and Co-Director of the stem cell program at Morton Plant Hospital
- 5) Publications Numbers 5,7,16,17
- 6) Member of American Society for Blood and Marrow Transplantation 1996 – present
- 7) Elected Fellow American College of Physicians 1981
- 8) Board Certified Internal Medicine by the American Board of Internal Medicine 1975
- 9) Board Certified Medical Oncology by the American Board of Internal Medicine 1979

Miscellaneous

PHARMACEUTICAL INDUSTRY EXPERIENCE:

SUPERGEN 1999-2001-IND, Protocol Design, and SPEAKER to develop the drug Nipent in Malignant Lymphoma and CLL.

Radio Talk Show – WSUN 620 AM “The Truth About Your Healthcare”, Interviews and Call-Ins. 1996 to 1999
